

DAVID CRAYFORD ----- HOW ARROGANT, SICK-MINDED, 'UNELECTED' WORLD LEADERS CONDONED (SEE INSERTED DOCUMENTS) THE KILLING OF IMPOSTER ANTHONY SANTIAGO MARTIN BY.....

.....GLORIA MACAPAGEL-ARROYO (FORMER PRESIDENT OF THE PHILIPPINES), OR THOSE SHE GAVE ORDERS TO.

I stated within the above title the words 'UNELECTED WORLD LEADERS' because, although elected within their own countries, these World Leaders were not / are not elected by the international community, and in their totality make up nothing more than a non-legal organisation, with less standing than a Social Club. As a self-appointed organisation consisting of nothing but World Leaders, they can effectively only speak and vote on worldly issues via the United Nations, or other organisations such as the World Trade Organisation, World Health Organisation, etc...

This totally excludes issues involving the Global Debt Facility. All issues relating to the Combined International Collateral Accounts (Global Debt Facility) are handled in whole and in part through PRIVATE AGREEMENTS and TREATIES only, and the Global Debt Facility is independently managed and administered, of which these World Leaders are NOT involved, have no voice or say so in, remain uninvited to be a part of, and have NEVER been a legal part of.

Other than what is stated above, as a non-legal organisation (collective) of world leaders, they actually hold no power or authority.

Furthermore, these so-called World Leaders that were categorized under the title, 'ORGANISATION OF WORLD LEADERS – Bonn Conference, Germany, 2006,' (as documented below), hold no legal power or authority whatsoever over any aspect of the Global Debt Facility, that at that time was held by Dr. Ray C. Dam. In 2006, Dr. Dam was the International Treasury Controller, Legal Heir, Owner, and Sole Arbiter of the Global Debt Facility; yet World Leaders assumed they had such power and authority that would allow them to blatantly and openly abuse same to the point of condoning the killing of a person (Anthony Santiago Martin, an imposter), which was orchestrated by, of all people, the President of the Philippines, Gloria Macapagal-Arroyo.

It is also very important to note that these very same countries that signed onto the letter documented below, not necessarily the same officials of these Countries, but the countries themselves, also officially executed the Global Settlements Treaty 1980, which was initiated by Ferdinand Marcos, who at the time was the M1, Master Custodian of the assets and accounts of the Global Debt Facility and Legal Heir, Owner, of all International Trusts and Foundations that combined, made / make up the Global Debt Facility. Then they totally discarded their Nations' commitments to that Treaty they just signed, and waged war against the Global Debt Facility. They continue to do so today. The below letter sent by so called World Leaders to Her Majesty is an example of those efforts.

WHAT AN EXAMPLE TO SET FOR THE REST OF THE WORLD. THESE ARE PEOPLE, ELECTED IN THEIR OWN COUNTRIES, WHO ARE SUPPOSED TO LEAD THE WORLD BY EXAMPLE. WHAT AN ABSOLUTELY DISGRACEFUL EXAMPLE !!!!!!!!!!! IS IT ANY WONDER WHY THE WORLD IS IN SUCH A MESS WHEN YOU HAVE WORLD LEADERS LIKE THIS-----POSTULATING OVER WHO GETS WHAT PIRATE'S SHARE FROM THE GLOBAL DEBT FACILITY, OVER WHICH THEY HAVE ABSOLUTELY NO LEGAL RIGHT OR CONTROL!!!!!!!!!!!!!!

WHAT KIND OF WORLD LEADER CONDONES THE KILLING OF A PERSON BY ANOTHER PRESIDENT, OR THOSE SHE GIVES SUCH ORDERS TO, JUST FOR GOLD? ISN'T THIS WHAT OUR WORLD LEADERS HAVE BEEN DOING IN SUCH PLACES AS IRAQ, LIBYA, POLAND, AMERICA, AND SEVERAL OTHER COUNTRIES? IS IT REALLY MURDER? IT CERTAINLY IS AND IT IS ----- MURDER WITH IMPUNITY -----

CONDONED BY OUR WORLD (NOTHING BUT EMPTY SPACE BETWEEN THE EARS) LEADERS. IT'S AS SIMPLE AS THAT.

Now let's just analyse the contents of the below attached 'Confidential' documents:-

The first issue regards the signature lines and spaces presented on all three pages of the CONFIDENTIAL document. Is that any way to present Leaders of the World's signatures? A very amateurish presentation on behalf of "All World Leaders." Who are these people depicted by signatures? Who or what do those squiggly lines actually represent? What World Leader signed on behalf of which country? Can you tell?

Without a lot of serious investigative work it would be nearly impossible to identify each signatory to this document because their names and positions are not given in type form. There's no official identity for any of the alleged signatories. Why is that because whenever one writes an official letter or executes an official document such as a Treaty, Treaty Agreement, or similar, their name and title always follows the signature. Are they trying to hide something with this document alignment? Whoever did it was so lacking of intellect / knowledge of official protocols that they didn't know how to or they forgot how to correctly end an official letter / document.

Six more issues (followed by my comments) regarding specific quotes from the letter portion of the CONFIDENTIAL document above:

- a) Content, quote ***“This is to update our warm gratitude to your good offices as we are airing you that we whom appeared our alleged support before certain Anthony S. Martin were crucially false**”*.

DC. For so-called Intellectual World Leaders it took them several years (20 years to be precise) to determine that Anthony S. Martin was false and an impostor. Most normal people who have some knowledge of Ferdinand Marcos and the way he established everything knew in 1993, when the present Anthony Santiago Martin suddenly appeared out of thin air. That Anthony S. Martin was false and an impostor having suddenly appeared from nowhere to unlawfully claim a position that he had no more right to than a Kangaroo, knowing that Ferdinand Marcos was deceased and that the original Anthony S. Martin had died in 1988, so no one would be able to legally deny Martin's claim, so the United Nations stooge, a young unknown person claiming the name of Anthony S. Martin suddenly became the real Anthony S. Martin falsely using the power and authority passed by Ferdinand Marcos.

The false Anthony Santiago Martin (Born 6th June 1974), would have been 19 years of age in 1993, just above the legal age limit of 18 years and unmarried, which was very convenient for the United Nations; ASM even holds a Diplomatic Passport, of questionable format, issued by the United Nations (Refer inserted document below), and apparently, there are also two ordinary Passports with questionable photos of ASM.

Ah, but wait a minute, in Ferdinand Marcos's Last Will and Testament dated December 20th 1988 (Note: which is 5 years prior to the appearance of the fake Anthony Santiago Martin in 1993) Marcos stated, quote **“that the undersigned hereinto will be transmitted directly to ANTHONY SANTIAGO MARTIN with international recognized codename and number: Spiritual Wonder Boy and AM - 01and Spiritual King David of Israel and legitimate husband of LYNN GRACE H. MEDINA with recognized code name and number: Spiritual Maria Christina and C1 – C2”**.

Let's go through that again, especially the last line where it states, quote "legitimate husband of". So at 14 years of age, or possibly even younger, as it is not defined as to when ASM actually got married to Lynn Grace H. Medina; as that would have been the fake ASM's age of 14 years in 1988 when the fake Anthony Santiago Martin was claimed to be married to a Lynn Grace H. Median.

That dear readers is just not possible, not even in the depths of the wilds, or even Tribal Lands of the Philippines. So to conclude, the orchestrators of this, not so elaborate, scam, which includes the U.N. the World Bank, the Committee of 300, and possibly others, fabricated this whole thing wrongly and in doing so exposed themselves for what they really areWORLD (NOTHING BETWEEN THE EARS) LEADERS, TYRANTS and FRAUDULENT OPERATORS for the purpose of continued illegal and unlawful control of, and access to the Global Debt Facility to the detriment of the people and countries of the world

a) Content, quote *"This is to update our warm gratitude to your good offices as we are airing you that we whom appeared our alleged support before certain Anthony S. Martin were crucially false*".

DC: For so-called Intellectual World Leaders it only took them 20 years to determine that this Anthony S. Martin was false and an imposter. Most normal people who had some knowledge of Ferdinand Marcos and the way he had established everything knew, as far back as 1993, when the present Anthony Santiago Martin suddenly appeared out of thin air; that he was false and an imposter.

The Imposter Anthony S. Martin suddenly appeared out of nowhere in 1993 to unlawfully claim a position bearing tremendous weight and wealth, one he had no more right to than a Kangaroo, his Handlers knowing full well that Ferdinand Marcos was deceased, and that the original and official Anthony S. Martin had died in 1988, and that no one would be able to legally deny the imposter Anthony S. Martin's claim. So out of thin air, this United Nations stooge / young unknown person claiming the name of Anthony S. Martin, suddenly becomes the official Anthony S. Martin, falsely using the power and authority passed down by Ferdinand Marcos. This was a lot of power and authority, and it involved illegally stealing assets from the Global Debt Facility for his UN / Bankster / World Bank / Handlers own nefarious purposes.

Proof as to the set up of the imposter can be derived from the passports issued to the imposter by the United Nations and and the Philippine government. The false Anthony Santiago Martin (Born 6th June 1974, as documented below), would have been 19 years of age in 1993, the year he appeared in public for the first time, just above the legal age limit of 18 years and unmarried, which was very convenient for the United Nations; Anthony Santiago Martin even holds a Diplomatic Passport, of questionable format, issued by the United Nations.

Insert ASM Passport Doc issued by the UN

DC. Apparently, there are also at least two ordinary Passports issued by the Department of Foreign Affairs, Manila, Philippines, with questionable photos of Anthony Santiago Martin.

Ah, but wait a minute, let us take an important and crucial look into a segment in Ferdinand Marcos's Last Will and Testament, dated December 20th 1988 (Note: which is 5 years prior to the 1993 appearance on the world scene of the fake, and ultimately assassinated Anthony Santiago Martin),

which would have meant that the impostor Anthony Santiago Martin was 14 years old at that time. Ferdinand Marcos stated, quote, **“that the undersigned hereunto will be transmitted directly to ANTHONY SANTIAGO MARTIN with international recognized codename and number: Spiritual Wonder Boy and AM - 01and Spiritual King David of Israel and legitimate husband of LYNN GRACE H. MEDINA with recognized code name and number: Spiritual Maria Christina and C1 – C2”**.

Let's go through that again, focusing on the last line where it states, quote, **“legitimate husband of.....”**. In 1988, when Marcos authored the above referenced Last Will and Testament, Marcos recognized the true and real Anthony Santiago Martin, who was also recognized in the document to be married to Lynn Grace H. Medina. The fake Anthony Santiago Martin, the one held up to the public as being real beginning in 1993, would have only been 14 years old and married.

That dear readers is just not possible, not even in the depths of the wilds, or even Tribal Lands of the Philippines. So to conclude, the orchestrators of this, not so elaborate, scam, which includes the U.N. the World Bank, the Committee of 300, and others, fabricated this whole thing wrongly and in doing so exposed themselves for what they really areWORLD (NOTHING BUT EMPTY SPACE BETWEEN THE EARS) LEADERS, TYRANTS and FRAUDULENT OPERATORS for the purpose of continued illegal and unlawful control of, and access to the Global Debt Facility, all to the detriment of the people and countries of the world.

Here are two Passport Docs issued by the UN to Anthony S. Martin. Again, notice the date of birth is June 6, 1974.

INSERT 2 PASSPORT IMAGES HERE

What we have are two different normal National Passports, issued by The Department of Foreign Affairs, Manila, Philippines; held by the said Anthony Santiago Martin. The one on the left is issued 30th Sept 2011, expiring on 29th Sept 2016. The one on the right is issued 23rd May 2009 with expiry date 22nd May 2014.

According to our Intelligence people, these are two different persons that carry the same name and according to all records, live at the same address in San Sebastian, Hagonoy, Bulacan, Philippines. Furthermore, the Place of Birth recorded on both Passports states MALABON, RIZAL. Malabon is a city that makes up the municipalities of the 3rd District National Capital Region of Metro Manila, and is situated on the North Left side of the National Capital Region. Malabon is not in the Province of Rizal. Rizal is the province to the right of Metro Manila, as you look at the map. The lower boundaries of both Provinces (Metro Manila and Rizal) front Laguna Bay. Malabon is not in the Province of Rizal.

An additional point. When the Passport on the right expired on 22nd May 2014 why wasn't the renewal of same dated to run from May 2014 - May 2019, or was this in fact two passports issued to two different people of the same name and living at the same address, at two different times? In other words both Fake Passports issued in the name of Anthony Santiago Martin to two different people who were both actually imposters.

It will be interesting to see the passport photograph used on the new passport when it is issued, if it is issued, to the surviving fake Anthony Santiago Martin against the expired passport on the left with expiration date of 29th Sept 2016.

b). Content, quote ***“we concluded that it is Anthony S. Martin who worked said alleged certification and we also observed that our alleged signatures were made by one hand”***.

DC: Now the World Leaders want us to believe that the imposter, Anthony Santiago Martin, placed in position as an imposter by the United Nations, is trying to pull a fast one on them. How's that for the "Pot Calling the Kettle Black"? They put him in public position, use him to illegally gain access to the Global Debt Facility, and then they kill him. What a bunch of hypocrites! Wealthy, murderous, conspiratorial hypocrites.

c). Content, quote ***“but that is not a matter as it is more important is to have their intended shares worth P\$2.52 Mirallion and we must never intend anything to the Philippines cause they have more commodities such as oil eyeball and precious commodities and let this commodities be their guide and sponsor to assist their needs and not our money”***.

DC. Whoa up there, the shares they are referring to are that of the ASBLP Group of Companies, which was established by Ferdinand Marcos for a specific purpose and was later hijacked by the impostor Anthony S. Martin courtesy of the United Nations and World Bank.

P\$ 2.52 Mirallion. There is no definition of the word Mirallion so what actual figure, either in US Dollars or Pesos, is being described here is unknown.

d). Here's the stunning part ***“We must never intend anything to the Philippines cause they have more commodities such as oil eyeball and precious commodities and let this commodities be their guide and sponsor to assist their needs and not our money”***.

DC. Whoa up there, what right have these so-called intellectual World (nothing but empty space between the ears) Leaders to determine whether the Philippines receives financial benefits from the Global Debt Facility, and not what they refer to as their money? They have no right. The Global Debt Facility is not their money and never has been, so they have no legal rights whatsoever to determine who gets what from same. That right rests solely with the International Treasury Controller, M1, Legal Heir, Owner, and Sole Arbitrator.

The Philippines have every right, and as equal a right as any other country, to financial benefits from the Global Debt Facility. They are Humans just like everyone else, and if any country needs quality financial assistance the Philippines is right within the top segment of the list. There is only one person who can determine that and that person is The International Treasury Controller, M1, Legal Heir, Owner, and Sole Arbitrator, as the only legally appointed and presently existing successor to Ferdinand Marcos.

This is typical of not only many World Leaders but also of such organisations as the IMF, World Bank, United Nations, the Federal Reserve, the BIS, and others who have been responsible for not only the attempted hijacking of the Global Debt Facility, but also for massive Fraud and Criminal activities against the Global Collateral Assets and Accounts over many decades.

Remember the Global Settlements Treaty 1980, drafted by then M1 Ferdinand Marcos, and executed by the Leaders of 198 Countries, who then casually discarded it and abandoned Marcos, whom they would not allow to ever implement it? This was a Treaty that had it been implemented at the time, the

world would not have been experiencing the problems such as Austerity, increased taxes, and Bank buy-ins, of today, and certainly Europe would not be experiencing the massive influx of migrants from various countries.

WHAT TYPE OF WORLD LEADERS ARE THESE PEOPLE? THEY ARE NOT LEADERS BUT PARASITES AND IMBECILES TRYING TO MAKE SURE THAT THEY SUFFER FROM EXTREME FINANCIAL GAIN, SO LET'S PUBLICLY ASK THOSE SO-CALLED WORLD (NOTHING BUT EMPTY SPACE BETWEEN THE EARS) LEADERS WHY THEY DISCARDED THE GLOBAL SETTLEMENTS TREATY 1980 AND PREVENTED OTHER COUNTRIES FROM HAVING ANYTHING, ESPECIALLY FINANCIAL FREEDOM AND FINANCIAL INDEPENDENCE.

Instead, the UN / WORLD BANK / US GOVT, etc.... controllers / conspirators, attempted to selfishly leave other countries to their own abilities and commodities for which those countries could not afford to extract unless the International Conglomerates were invited in with investment money, whereby a large percentage of the profits these International Conglomerates made would be hauled out of the country. The countries were not allowed to benefit financially from their own resources and natural wealth. Once again, the weaker countries of the world are wide open to the financial and sovereign abuse by the wealthier countries, or should I say the so-called and self claimed wealthier but highly debt burdened countries.

e). Now take a look at this part of the content, quote ***“we don't mind with these dirty and sick minded people as we have seen them in our television and they are really suffered to this crisis”.***

DC: These supposed World Leaders are actually talking about Filipinos here; the Philippine People. Personally, I despise this kind of talk. I find their comments to be repulsive and insulting, totally reprehensible, disgraceful and demeaning against the Filipino people. The Filipinos are as Human as any world leader, if not more so, and they deserve respect just like anyone else. I am going to flip that statement around and say about these so-called intellectual World Leaders, ***“We don't care about these mentally sick and parasitic World Leaders, and Yes, we have seen them and their arrogance displayed on our television screens whereby all we can say is that they are the ones that should be left out of the ring, not Filipinos or any other country of Third World / Developing status. Give up your positions of World Power and hand it over to people with common sense, compassion, decency; People who care about other People, because your statements in this document categorically show that you are not of that character or calibre required to be a World Leader.”***

Sorry, but it is about time that the people of the world realised the truth about what has, and is, going on, and to tell these so-called World (nothing but empty space between the ears) Leaders to take a long walk, preferably off a very short Pier into the Arctic Ocean, where in 2 minutes at the most they would become frozen, bobbing corpses.

Filipinos, and others around the world, have been lied to and cheated by the Americans for 35 - 40 years. The deliberate lies and myths about the Marcos Wealth and Yamashita Treasures deliberately put out by the Americans have not only destroyed the Philippines but other countries as well.

What was it that Adolf Hitler stated “If you tell a lie convincingly enough many times over a period of time, it becomes the truth”. The Philippines, and other countries, have been destroyed by the American lies. The Filipinos have unfortunately become accustomed to it and now live by it, very poorly indeed. It will take two to three generations, and a lot of education, to see the Philippines back to what it was in Marcos's time.

No doubt Iraq, Syria, Lybia, Afghanistan, Ukraine, and other countries that the Americans have deliberately and illegally interfered with, will be the same.

f). Content, quote ***“Let the Filipino people be died and we don't care about them for that money as we both admitted is for really for the Filipino people”.***

DC: Well, that is such a pathetic and contradictory statement to say the least. I really wonder if these so-called World Leaders have anything between the ears, other than dollar signs, and these are the people running and managing our countries with a limited degree of input, or knowledge of and into International Affairs.

Are we not “Bonkers” to allow such people into the higher realms of society so that they can control us, by virtue of their positions, by introducing laws that everyone else must abide by, while they skirt same? Just think Clintons. Just think world history of Western Leaders.

g). Content, quote *“and we also hailed and regretful for Pres. Gloria Macapagal – Arroyo whom suffered Cervical Cancer but that’s the life as the most important thing is to have the Filipino People’s money for us and time will come Mr. Martin will be jailed and killed by Pres. Arroyo”*.

DC: Well, it is plainly obvious, even to a blind man, that these so-called World (nothing but empty space between the ears) Leaders want the Filipinos' money for themselves. What Filipinos' money I ask? Because the Filipinos do not have any money. The money they are referring to in the document is that of the Global Debt Facility, as defined within the Global Settlements Treaty 1980, and several other International Treaties, all executed by Ferdinand Marcos, not only as President of the Philippines up to 1986, but also as M1, Master Holder, Legal Heir, Owner, and Sole Arbiter of the Global Debt Facility.

TAKE NOTE YOU WORLD LEADERS WHO EXECUTED THIS CONFIDENTIAL AGREEMENT IN SEPTEMBER 2006, WHILST AT THE BONN CONFERENCE IN GERMANY; CONDONING MURDER. YOU GET NOTHING FROM THE GLOBAL DEBT FACILITY UNTIL YOU CAN SHOW, AND PROVE, TO US THAT YOUR COUNTRY (IES) NOW HAVE RESPONSIBLE, REASONABLE, CARING LEADERS WHO CATEGORICALLY REJECT, AND DO NOT CONDONE, WHAT YOU HAVE PUT YOUR SIGNATURES TO IN THIS DOCUMENT.

MOST OF THE PEOPLE HAVE, AND STAND BY PRINCIPLES WITHIN THEIR LIVESYOU, WORLD (NOTHING BUT EMPTY SPACE BETWEEN THE EARS) LEADERS DO NOT APPEAR TO HAVE EVEN ONE PRINCIPLE WITHIN YOUR COLLECTIVE BODY.

h). Let’s take another look as some of the content of the above, quote *“and time will come Mr. Martin will be jailed and killed by Pres. Arroyo”*.

DC: So, Mr. Martin made their “Hit List”. Just another individual along with hundreds of others whose life has been terminated or on a list to be terminated. On whose authority and decision I ask? "AND HE WILL BE JAILED AND KILLED BY PRES. ARROYO". Thank you for advising the world what murderous scumbags you really are.

Breathtakingly ignorant and depraved. What a statement to make about a world citizen and a person made up to be someone he was not by so-called World (nothing but empty space between the ears) Leaders who are obviously devoid of any conscience, common sense, regard for life, consideration, compassion, humanity, respect for law, and respect for others. But they do understand the sound of money in their pockets and between their ears. I would like them to begin to understand the sound of clanking prison cell keys.

Just deviating a little here, Bill Clinton use to call Gloria Arroyo, “His little China Doll”, I wonder if he had a few Cigars handy as well; and that former statement came from one of Gloria Arroyo’s Senior Bodyguards and friend (Female) who is now deceased To even state within any document, public or otherwise, quote, “and be killed by Pres. Arroyo”, is unbelievable from such so-called World (nothing but empty space between the ears) Leaders. They executed the document from within

which that statement was made, so it cannot be denied or hidden any longer, and it is registered and recorded within the United Nations.

Yes, we all know that Pres. Arroyo, along with her husband Mike, were, and still are so corrupt and dangerous, they could be characterised and likened to Hillary and Bill Clinton. They are that dangerous. And they certainly should not be trusted under any circumstances. The Filipinos made a big mistake when they elected Gloria Macapagal Arroyo, but let's be fair, other people from other countries have made similar mistakes in the past and got as their President more than they bargained for with corruption, theft, political manipulations, lies, increased debt, reducing economy, and similar, so the Filipinos do not stand on their own in this respect.

Just deviating a little here, Bill Clinton used to call Gloria Arroyo, "His little China Doll". I wonder if he had a few Cigars handy as well; and that former statement came from one of Gloria Arroyo's Senior Bodyguards and friend (Female) who is now deceasedI wonder how and why she is now deceased because she was in her late 30's only and was really fit, as one would expect of a bodyguard. I wonder if Arroyo could kill more than one person, and if so, is it possible she killed the security guard / friend because she knew too much, and said too much?

DC. I, for one, was totally shocked when I read the above 'Confidential' document, which, by the way, the ITC has had on file for quite some time. It is disgusting, morally wrong, insane, immature, selfish, criminal, unjustified, unwarranted, and really shows our so-called World (nothing but empty space between the ears) Leaders as to what they really are.

It was time to bring this document into the open. I will say, perhaps, it should have been earlier. It still has a tremendous impact on me, and far be it for me to tell the readers what our so-called World (nothing but empty space between the ears) Leaders are really like, so I will allow the Readers to make up their own minds or assessment on this one, if they want to.

IF WE HAVE WORLD LEADERS LIKE THIS, WHAT CHANCE HAS THE WORLD EVER GOT TO GET ITSELF RIGHT, OR WHAT CHANCE HAVE THE PEOPLE EVER GOT? TRULY, HOW DO WE CHANGE IT?

THE LENGTHS SOME PEOPLE OR PARTIES WILL GO TO IN THEIR QUEST FOR SUPREMACY, CONTROL OVER ALL OTHERS, AND PERSONAL WEALTH IS UNFATHOMABLE. THE LATTER PART OF THAT STATEMENT REALLY MEANS THAT THESE PEOPLE / PARTIES HAVE SOLD THEIR SOULS TO MAKE MONEY AND EMPOWER THEIR GODS. THE WRATH OF THE CREATOR WILL FALL UPON THEM AT DUE TIME AND THEN WATCH THEM SQUEAL, BUT BY THEN IT WILL BE TOO LATE FOR MANY.

Another issue to remember is that most of these so-called World (nothing but empty space between the ears) Leaders will become, if they aren't already, members of various Secret Societies such as the Trilateral Commission, the Bilderbergs, the Council of Foreign Relations, Skull and Bones, Committee of 300, and so on, some of which are openly guilty of organising various groups, or individuals, to ensure their objectives and ideologies are realised. These various groups or individuals employ and / or promote persons such as Neil Keenan, Karen Hudes, Wolfgang Struck, Anna von Reitz, Keith Scott, Benjamin Fulford, JERZY BABKOWSKI, ZAP, the Ambassador for the Red Dragon, Angel Ferdinand Duque Marcos Jnr, Alberto Marcos Marcos, Concepcion Legazpi (Queen of the South of the Kingdom Philipna Haceinda), Swiss Indo Group (The fake Mr Sino Soegehartonotonegoro, M1, A1, King of Kings, which is another CIA fabrication and fraudulent operation against the Global Debt Facility), Dave Schmidt, and many others, including CIA mercenary groups, all of whom although purporting to be acting alone and independently, are in fact working and communicating together behind the scenes, as evidenced by various emails and other known communications (Twitter and Facebook) we at the ITC hold on record. The deceit, cunning,

and deviousness being used by these people is beyond most people's imagination. On the surface they are all smiles and telling the people what the people want to hear. Behind the scenes they have no qualms about theft, deception, fraud, lying, deceiving, destroying, or eliminating people.

As for Keenan's most recent video and his diatribe, he couldn't be further from the truth. To say that American Lawyer lives in the Bronx is an absolute, deliberate, and total fabrication of a lie. We now know who American Lawyer is, and he certainly does not live in the Bronx. Furthermore, he is who he claims to be, an experienced (Prosecuting and Defending) lawyer and senior partner in a American Law Practice and someone that you Keenan should not cross at any time, because you will regret it. He makes your Lawyer KEENAN, what his name --- William Mulligan, look like Noddy in Toytown. We are glad to have him and his colleagues supporting us as they really do know the truth and are vocal in their belief that change has to come and soon, before the world destroys itself. These people, have more humanitarian aptitude in their little finger than you, and your gang of thieves, will ever have in your whole BLUBBER of body. We have official proof in writing of all the above.

And, David Sale is David Righter is he? What a load of B.S. Keenan is really mentally insane with his FABRICATED, FICTITIOUS, AND FAIRY TALE STORIES based upon nothing but Keenan's own distorted imagination, but it is possibly that is what his followers want to hear, so he gives them what they want, albeit TOTALLY WRONG, FABRICATED, FICTITIOUS, AND OF FAIRY TALE MENTALITY. He gives them what they want but behind the scenes he is a crook, liar, cheat, convicted felon and conspirator with Keith Scott in the demise of Ray Dam, and the ongoing fraud against the Collateral Accounts. KEENAN, you can fool some of the people some of the time, but you can not fool all of the people all of the time, and you certainly don't fool us.

Let me tell you, and the Readers quite clearly that David Sale and others did everything they could to help Ray Dam out of his totally unwarranted predicament. Besides constant pressure being exerted on Hun Sen (P.M. of Cambodia), The King of Cambodia, and Obama, there was also an operation set up to pull Ray Dam from the Hospital in Cambodia and get him into Thailand for his own safety and for continued medical supervision. The operation was based upon detailed information being passed to us by another of Ray Dam's nephews, who was equally concerned about his Uncle, and knew what you Keenan, and Scott, together with Sovann were conspiring to do. David Sale had set everything up in Thailand, including Royal Protection from the Royal Family in Thailand. Two days before that operation was to commence, the Hierarchy informed us to do nothing and have no more contact with Ray Dam because he had gone over to the American side, and that his position, powers and authorities were to be removed immediately, and so it was to be. This was a decision that the Hierarchy does not regret whatsoever. We even have documentary proof of this as well Keenan, so you can not fool us with your lies.

I was also interested to hear Keenan say that Obama had taken him off the list. He is referring to the information that American Lawyer had officially established (Confirmed in American Lawyer's latest article, that Keenan is a Felon and can not go back to America --- A fact which is not at all surprising. Now Keenan wants us to believe that he has been taken off the list. Stop kidding yourself Keenan and stop lying to the readers. You are still on the list, you can not go back to America, and you have no chance of being taken off the list by Obama or anyone else. You are a fully fledged CONVICTED FELON ----- PERIOD, an UNDESIRABLE in America (Refer American Lawyers latest article [further below] which states, quote:-

Neil Keenan is still not in custody in the U.S. Bureau of Prisons. He's a protected operator for the Western based, mafia run shadow financial system. He's guided, handled, and protected by the highest reaches of the United States government. He works for and on behalf of agents of the Federal Reserve Bank and the DHS. He's considered a Non-Cover Operative and, according to one report, he works with other NCO's and "Government Intelligence Assets under the Special Acquisitions Division of the Fed's San Francisco branch." Keenan reports the disinformation of their progress regarding their theft and conversion of Assets and Accounts of the Global Debt Facility into their shadow financial system). close quote.

WHAT AN ABSOLUTE JOKER, CONMAN, AND LIAR YOU ARE KEENAN. You were recruited by the top brass in the CIA / NSA to do a job which has got to be better than a term in prison. In return, you may have your freedom in due course, once you have done your job as required of you. You are a fool to even believe that you will have your freedom from these people. You are the "Fall Guy" and "Fall Guy" you will be.

Another point Keenan is that I wonder if all those delegates in Monaco were aware that YOU ARE A CONVICTED FELON AND HOLD A CRIMINAL RECORD, WANTED IN THE STATES AND CAN NOT RETURN TO THE STATES ----- I doubt it because your handlers dressed you up and painted over your past criminal activities. The problem KEENAN is that the paint job wasn't thick enough and American Lawyer has peeled it off to reveal the true KEENAN.

Oh, and by the way the Monaco Accord is void of any legality because of our "Sovereign Decrees" enacted into Law on 1st July 2012. So MR CRIMINAL KEENAN don't push that down peoples throats because it means NOTHING AT ALL, LEGALLY.

That, dear readers is the type of person (Keenan) the Elite (As referred to above) recruit to do their dirty work ----- FACT. People like Keenan are dispensable when the time comes, and nothing falls onto the shoulders of the real crooks being the Elite, the World (Nothing but empty space between the ears) Leaders, and the various secret societies.

Has anyone ever noticed, like many lawyers do, and understand, that those guilty of crimes always defend themselves by lying, attacking and trying to discredit genuine ones to save their own skin. It is common practice amongst crooks as it is their way of escaping true justice, if they can get away with it. Many don't and end up incarcerated for their crimes. And YES KEENAN, we have documentary proof of the above as well.

Oh, and as for resurrecting your Law Suit, don't waste your time and the time of others because it will go nowherePERIOD. ONCE A LIAR, CHEAT AND CROOK, ALWAYS A LIAR, CHEAT AND CROOK. LEPARDS DO NOT CHANGE THEIR SPOTS, KEENAN, and that statement also applies to SCOTT, your accomplice, past and / or present, in crime.

I sincerely hope that the publication of these documents will make the people of the world think seriously about what has been happening in the past, and even in present day, so that they can, within

their own countries, undertake the necessary action to bring these World (nothing but empty space between the ears) Leaders to order on this matter. It is time that the people of the world awaken to what is, and has happened, around them whilst they have been in their cabal induced delusional trance.

OH FOR THE WANTING OF A GOOD QUALITY WORLD LEADER, OR LEADERS, WHO CARE ABOUT THE PEOPLE, NOT ABOUT THEIR POCKETS OR THE CRONY CAPITAL SYSTEM THE WORLD IS CURRENTLY AWASH WITH, OR THEIR QUEST FOR A NEW WORLD UNI-POLAR GOVERNMENT. THE LATTER SPEAR-HEADED BY AMERICA AND ITS ALLIES OVER DECADES SO THAT NO ONE WOULD NOTICE THE SUBTLE CHANGES AS TIME EVOLVED, THAT WAS UNTIL THE CRONY CAPITALIST SYSTEM, GLOBALISATION, THE ELECTION RIGGING, THE VARIOUS CIA GENERATED REVOLUTIONS AROUND THE WORLD, THE GRADUAL UNITING OF GROUPS OF COUNTRIES (EUROPE, ASEAN, AND PREVIOUSLY SOUTH AMERICA), THE SUFFERING OF THE PEOPLE (AUSTERITY AND SUBSTANTIAL INCREASE IN POVERTY), THE MASSIVE MIGRATION PROBLEM IN EUROPE AND AMERICA, AND THE TERRORIST ATTACKS; ALL STARTED TO BE NOTICED (AT LONG LAST) BY ORDINARY PEOPLE.

ALL OF THE LATTER ITEMS ARE WHAT OUR WORLD (NOTHING BUT EMPTY SPACE BETWEEN THE EARS) LEADERS ARE RESPONSIBLE FOR.

DO THEY REALLY KNOW WHAT THEY ARE DOING AND ARE THEY ACTUALLY INTELLECTUALLY CAPABLE TO HOLD THE POSITIONS THAT THEY HOLD?

[Note: For those readers who might question the visual clarity of dates shown on some of the documents inserted above. I had the documents with me but I could not access a scanner so I needed to obtain the copies used for this article with a camera.]
